GARRISON MSS.

Roxbury, May 29, 1878.

My Dear Friend:

I have volunteered to send to your care dear Mr. Steinthal's letter, and another sealed one, introducing Miss Metford, of Bridgewater, Eng. to Mrs. Chapman. I would send them directly to New York, if I knew the number and street where Mrs. C. is visiting; but you can give them the right direction. Whether Miss Metford will go to New York shortly, I do not know; but should she do so, it will give her very great pleasure to have an interview with Mrs. Chapman.

With affectionate regards to Caroline and Harvey, yours heartily,

Wm. Lloyd Garrison.

Miss Deborah Weston.
